

SFB 873

# 2<sup>nd</sup> Young Scientist Retreat

Grasellenbach, Germany

The Collaborative Research Center “Maintenance and Differentiation of Stem Cells in Development and Disease”, SFB 873 welcomes young investigators (PhD students and Postdocs) to join for the

## 2<sup>nd</sup> Young Scientist Retreat

Chairs: Dr. Susanne Bartels, Hannah Uckelmann

**APRIL 17 - 19, 2012**

This retreat is planned to bring together young scientists within and outside the SFB 873 who focus on stem cell research, to stimulate and strengthen networking, to discuss research progress and allow the formation of collaborations.

Registration: [www.sfb873.de](http://www.sfb873.de)

Deadline for registration: February 29, 2012

For more information and detailed program please visit our website [www.sfb873.de](http://www.sfb873.de) or contact Dr. Susanne Bartels ([s.bartels@dkfz.de](mailto:s.bartels@dkfz.de)).
